#### **1. IDENTIFICATION OF NEEDY COMMUNITY MEMBERS**

Trained volunteers continued to identify people in need of care. These people include women, men, boys and girls seeking medical assistance, school fees, nutritional support and others having suffered Gender Based Violence.

## 2. TO IMPROVE HOUSEHOLD INCOME, FOOD SECURITY AND HEALTH

### NUTRITIONAL SUPPORT

The organization has continued to create strong synergies and networking with local stakeholders and donors with the bid to offer nutritional support to the needy in the community. During the month it reached 254 (113M 141F) orphans and vulnerable children with fish heads.

### MEDICAL SUPPORT

A total of 4 993 (2 012M 2 981F) were reached with SRHR information which led to a total of 623 (201M 422F) getting tested for HIV and knowing their statuses. The figure comprises those reached through the Women and child health project, family clubs, youths in school peer educators and those reached in youth clubs. Secondary caregivers continue to spread the gospel through ward meetings and door to door sessions, they conducted ward meetings reaching to 263 (82M 181F) and a total of 633 (229M 404F) individuals and 92 couples reached through door to door counseling sessions. They reached 206 (88M 118) with GBV information focusing on prevention of GBV and referral pathways. Volunteers have managed to offer assistance to 56 (12M 44F) individuals on GBV and these were assisted through counseling and referrals to VFU and Social Services. Tony Waite volunteers have also managed to give TB adherence support to 47 (25M 22F) individuals and 3 females were reported to have completed their treatment in some of the 6 wards. The PMTCT mothers' meetings are ongoing at Nyamhunga Clinic with the PMTCT champion spearheading the discussions and disseminating information whilst encouraging disclosure.

The organization continues working hand in glove with other organizations and this has ensured cooperation which has assisted the disadvantaged and the underprivileged.

Volunteers continue to conduct home visits to Community Home Based Care clients and support visits were done.

## OUTREACHES

Outreaches were done with the MoH&CC in hard to reach areas where people accessed medical care HIV and AIDS counseling and testing and also screening of sexually transmitted infections. At kings camp the response was overwhelming as many youths were tested and received education on sexual reproductive health rights. They were also educated on cholera and other water borne diseases since the rain season is fast approaching and also were educated on the correct and consistent use of condoms as there were complains of bursting of condoms. See photos of outreaches below of health education, child immunizations, HTC and other services

## CLEAN UP CAMPAIGN

The organisation managed to join other stakeholders in conducting the cleanup campaign around Nyamhunga shopping centre. It was organized by the Municipality of Kariba and Ministry of Health and Child Care focusing on keeping the town clean as well as awareness on TB. It was graced by provincial and national representatives of humanitarian organisations, local NGOs and CBOs. See photos below

## **LIVELIHOODS PROJECTS**

The organization operates in four livelihoods gardens namely Padare, ZIHOPFE and Charara and primary school in a bid to improve nutritional support and household income through availability of fresh vegetables for consumption they are fully utilizing their space to draw maximum benefits from their garden. At Charara garden they are selling onions and green vegetables and also tomatoes. The okra at Padare is now ripe and pumpkin leaves are plenty also butternuts are at flowering stage.

## **PSYCHOSOCIAL SUPPORT**

Youth clubs and support groups are continuing to meet once per month holding their meetings at Nyamhunga and Mahombekombe. A total of 157 (86F and 71M) have been reached during the month of October. They continue getting information on SRHR, Gender Based Violence, hygiene, child abuse, rights and responsibilities. They continue with their ISALS, mat making, and sewing and re-usable sanitary pads production. They continue requesting for balls so as to engage in sporting activities during their club meetings.

## **FAMILY CLUB MEETINGS**

The organization managed to conduct family clubs in the month of October reaching a total of 35 females and 1 male. These are instrumental in disseminating and sharing parental skills, giving information on SRHR, Gender Based Violence whilst promoting adherence for people living with HIV. There is also the opportunity to share skills and conduct internal savings and lending as a way of uplifting lives of the vulnerable in the community. During the month of October ward one invited the programmes officer to their family club meeting where they are into detergent making project where they make dish washers and toilet cleaner for sale. Their main aim is to alleviate poverty and also improve their livelihood and they are building a fund from which members can borrow and conduct individual income generating activities. See photos of detergent making below

## **KAPENTA PROJECT**

The organization has also continued to support vulnerable women and youths economically through income generating project of Kapenta. A total of 8 packers (1male and 7 females) were employed during the month comprising of youths and women some of whom are survivors of gender based violence, are caring for children with disabilities and some of the women are also living with disabilities. Markets that have been opened continue placing orders so much that catches are lower than demand and have to supplement through buying from other companies.

## **KAPENTA PROCESSING FACTORY CONSTRUCTION**

The organization continues with the construction of the kapenta packaging and processing factory which has gone up to roof level and roofing material was procured and also additional bricks were purchased and the building is progressing well with no setbacks .See pictures below material being off loaded from a truck and progress
